

Dear Friends,

Thank you all for your support, both financially and the kind words of encouragement along the way.

On October 26, 2008 I finished the Marine Corp Marathon in 5 hours and 28 minutes, and it was the most grueling and rewarding run I have ever completed. However now that my run is finished the race still continues to, "Run the Path to Jill's House" to fund the building of Jill's House as well as ongoing costs and they can certainly use your help.

I truly believe that Jill's House will transform families with special needs children all over the Washington metropolitan area and will offer a one of a kind facility for respite care and medical services, which will offer hope for the future for these children and their families. I encourage you to please take a few moments to visit [www.jillshouse.org](http://www.jillshouse.org).

Thank you in advance for considering this unique opportunity to partner with me, my son and the many families that you will help to benefit! If you want to join in helping to "Run the Path to Jill's House"; you can make a contribution by going to [www.jillshouse.org](http://www.jillshouse.org) and visit the "Contribute" page. Please make sure you fill in the dedication line "on behalf of" and enter: Michael Garvey or you can send a check made out to "Jill's House" to 43850 Heatherstone Terrace #308 Leesburg, Virginia 20176. Thank you.

Sincerely,

Michael Garvey

*"Running the Path to Jill's House"*
