Subject: Picture of Jean Baptist our *it4dc* Rwandan Student

Dip,

Ok, finally a photo of Ngendahimana Jean Baptist. Like many Rwandans, he goes by his Christian name, Jean, rather than his Rwandan name, Ngendahimana. Until not too long ago Catholic priests wouldn't baptize them with only an African name. Sorry, I don't have any other details other than he is in 7th grade. He should move on to 8th grade in January.

I'll try to get a fuller biography but thought you would like the photo.
