

Jim Aaron Printer Ink & Toner Cartridge Offer

Friends and family:

In these tough economic times, everyone is looking to save money. Why not pay less for ink and toner cartridges?

I represent a company called [MyInkWarehouse](http://MyInkWarehouse.com), where you can save money on these products. Since it is a Delaware-based corporation, there is no sales tax. Additionally, shipping is free for orders over \$50.00. In order to take advantage of this opportunity, go to myinkwarehouse.com, create an account, and use the drop-down box to select "jamesa" as salesperson. The products are shipped the same day and satisfaction is guaranteed.

Please pass this on to the purchasers at your church, synagogue, school, office, or other group and let them enjoy the savings as well.

I look forward to delivering solutions to meet your needs.

Regards,

James Aaron
