Dip,

It was sooo nice seeing you and everyone tonight! I forgot how wonderful it is, especially on nice evenings like tonight. Nurturing good friendships is what life is all about! Thanks!

OK, so the new thing I have gotten involved in is Isagenix. It is a nutritional cleansing product and I lost 8 pounds in 11 days plus I feel great and have lots of energy. It removes toxins and is organic. My website is <http://suneetarana.isagenix.com/>. But orders should be done directly through me as I can get discounts.

Can you please add the following to your next email?
