**Date:** August 18, 2010 8:11:09 PM EDT

**THE CRIMESTOPPERS** have been playing the Mid-Atlantic scene, from Maryland to North Carolina, for over twenty-eight (28) years. The founding Washington Area Musician Association members (WAMA) and Wammie-nominated Crimestoppers play a danceable combination of blues and classic rock and roll. The band covers everything from Motown to Eric Clapton/Cream to Neil Young. With lots of danceable blues and classic rock thrown in as well.
