

Hello Dip:

Here is a success story for your website which I will mark as a favorite....

Steve Mort will be relocating to Fort Lauderdale, Florida on February 1, 2006 and taking the position of Vice President, Maritime Operations, for Wright Maritime Group. The company manages twelve superyachts (over 200 feet in length) that cruise the world's tropical and Mediterranean yachting resorts. In addition to representing the company at yacht shows and industry gatherings, he will be the part-time captain on the superyachts for 6 weeks a year while the full-time captain is on vacation.

Before accepting the position in Florida, Captain Steve was employed with International Registries, Inc. in Reston, VA as Vice President, Maritime Operations. IRI is the corporate and maritime administrator for the Republic of the Marshall Islands and has 1,200 ships registered.

Steve wishes everyone good luck and success in the future, especially Ceclia Tabois and Monique, and Veronique Bonhomme. If you are ever in South Florida, give Steve a call at (703) 628-2069.
